Applicants have styled this paper in the alternative, in the hope that the matter it raises may be addressed as a simple communication to accompany payment of the issue fee or if necessary as an amendment pursuant to 37 C.F.R. Section 1.312.

The gist of this communication is that Applicants have properly cited certain art in a PTO Form 1449 filed with this case on July 19, 2004, and Applicants have received the Notice of Allowability and the Notice of Allowance, but have not received an initialed PTO Form 1449 from the Examiner.

Applicants enclose herewith a copy of the IDS and the Form PTO 1449 filed with the case on July 19, 2004 listing U.S. Patent Nos 6,716,442 and 6,444,690. Applicants also enclose a copy of the return receipt post card stamped by the US PTO evidencing receipt of the July 19, 2004 filing.

Applicants respectfully request that this case be returned to the Examiner to:

- 1) have these references considered; 2) have the Form PTO 1449 properly initialed by the Examiner; and 3) have the references properly printed on the face of the issuing patent.

Respectfully submitted,

By
